Year 12 Formal
Our Year 12 formal was held at Walwa Resort on Saturday 15 November, with 10 students graduating after 13 years of formal education.

The students presented splendidly in their formal attire with their parents, carers, partners and extended family all enjoying the superb meal.

The occasion represents the culmination of a long journey of learning which will assist them with their future, regardless of the path they take.

A big thank you must go to Ms Guthrie and Mrs Wilson for their tireless work in getting the evening organised. Invitations, decorations, the cake and table adornments were meticulous and greatly appreciated by the families, students and teachers in attendance.

On behalf of the Tumbarumba High School community, we wish the Class of 2014 the very best of wishes with their futures beyond school.

Year 6 Parent Evening
We will be holding an information evening for parents and carers this Wednesday evening, 19 November, in the Library. A free BBQ will be held from 6.30pm, with the information session starting at 7.00pm. Parents will have the opportunity to purchase school uniform from the front office between 6.00 and 7.00pm.

School Sport
A reminder to all students and parents that school sport is now integrated into the curriculum, appearing at different times of the week and is no longer undertaken exclusively on a Thursday afternoon.

Student Reports
All stage 4 and 5 end-of-course reports will be posted early this week, arriving home prior to the end of the week.

Comprehension help for teens
Some kids will read perfectly in primary school and then suddenly struggle with comprehension in high school. Here's why. Comprehension help:

Planning for the future
Throughout your child's school life you'll need to make choices about aspects of their education and future. Here’s a selection of tips to help you plan for parent-teacher talks, subject selection, careers advice and back-to-school. Planning for the future:

Maths tips for tweens
Kids who find maths easy in the early years of school can be turned off quickly if they get confused and can't work it out. Here are 10 ways to get your tween through the more challenging times. Maths tips:

Time to party
While most parties go off without a hitch, celebrations can go wrong and get out of hand – particularly if the party is unplanned. Here are tips to help ensure your teen and their friends have fun but stay safe. Time to party:
